WELCOME TO TARANTO

Overlooking the Gulf of Taranto, Hotel Delfino Taranto is the perfect venue for both small and large events in the city. Over the past two years, the hotel has undergone a major renovation, unveiling a new hospitality concept centered on sustainability, along with redesigned rooms, common areas, dining spaces, and MICE facilities.

A STAY WITH A VIEW

Spacious and bright, our Standard rooms and newly renovated Superior rooms offer two different ways to experience a business stay. Whether you prefer a more minimalist design or a contemporary aesthetic, comfort is the top priority in both—without compromising the possibility of a sea view.

MICE DESTINATION

Taranto surprises with its many facets, blending history, classical and contemporary art, culture, and natural beauty. In recent years, the city has been reborn with new dynamism, making it the perfect destination for corporate events and incentive trips.

Hotel Delfino offers the opportunity to integrate numerous team-building activities in collaboration with local and non-profit organizations, including catamaran excursions to discover dolphins, sunset aperitifs aboard a traditional caique, water sports, cultural itineraries, local experiences, and nature excursions..
